

Recycle Today for a Better Tomorrow

**Recycle
Clinton**

Recycle Clinton

What can I recycle?

The City of Clinton provides recycling facilities for the following types of items:

Clear Glass

Newspaper

Aluminum

Brown Glass

Plastics

Where do I take my recyclables?

The main recycling center is located on Gary Street. It is adjacent to the public works facility at 1219 Gary Street. Any of the above items can be recycled there. Simply bring your recycling bin to the recycle center, place your items in the appropriate recyclable container or trailer, and the city will transfer the recyclables to a recycling center where they can be reused.

Should I leave my recyclables out with my garbage?

No. Currently, the City does not offer curbside pick up of recyclables. Recyclable material placed on the curb in the recycle bin will not be picked up by sanitation trucks. Please take your recyclables to the recycle center for recycling.
