To All Hampton Woods Customers:

Dear City of Clinton Resident/Customer:

As your community continues to grow, our City of Clinton services must grow with the changes that surrounds it. We have determined that changing your Sanitation Service Schedule is optimal in order to keep up with the ever changing demands of growth. Starting 8/24/23 you will need to place your trashcan in the same spot as before. However, instead of getting your carts collected on Thursday, your new collection will be collected on Friday. We do ask that you follow these simple guidelines in order to help our trash truck driver.

- **Handle/Wheels need to face away from the curb/street.**
- **All trash is bagged & placed inside a city issued cart.**
- **Can lid needs to completely close. (Otherwise we will not collect your can).**
- **Can is at least 3 feet from other objects such as (Vehicles, Mailboxes, Utility Poles/Lines, and other Trash Cans.) (Otherwise we will not collect your can).**
- **Can needs to be placed by road by midnight the day before pickup and removed no later than 9:00pm of the collection day**
- **Holiday Collection and other changes will be printed in the Chronicle, Posted on the city's website/Facebook page, and printed on your utility bill.**

Any questions concerning pick-up please call 864-833-7520 and ask for the Sanitation Manager.
